Gastroenterology/ GI Endoscopy / Hepatology / Clinical trials / New drug development/ New device development
Orangeburg, South Carolina, United States

Summary

Established in 1995, Gastroenterology Associates of Orangeburg has been the leading provider of consultative Gastroenterology, Digestive Endoscopy and Hepatology services to Orangeburg and surrounding counties.We strive to provide the highest quality of care at the most affordable price. Our office features a fully accredited, modern, well equipped office endoscopy center. Patients have access to their secure digital medical records. Cutting edge IT is used to manage work flow, measure outcomes and ensure safety. A solo physician practice, at Gastroenterology Associates, Dr. Murali personally evaluates and manages patients, performs endoscopic procedures and is involved in clinical research in gastroenterology. We routinely register highest levels of patient satisfaction.
