Tong Giang Bui

Learning Experience Designer · L&D Specialist | EdTech & Corporate Training

Hanoi Capital Region

Summary

I design learning experiences and write about L&D, EdTech, and AI at Tellstory(a scrollytelling blog in Vietnamese and English).My background spans e-learning development, content design for education, STEM event coordination, and volunteer education in underserved communities. I'm interested in how tacit knowledge gets transferred, how attention works in learning, and how AI is reshaping the role of instructional designers.

Education

Ha Noi

Bachelor of Education Technology, education technology · (2022 - May 2026)
