Jamal Peter Le Blanc

Bridging 25+ years in ICT policy and digital governance with pioneering AI-human collaboration. I focus on ethical, practical frameworks for AI partnering—moving beyond hype to real-world policies.
Gaithersburg, Maryland, United States

Summary

AI integration interest based on experience in ICT policy, technical writing, and human-AI collaboration. I help organizations navigate disruptive change, focusing on seamless AI adoption that empowers teams and retains talent. My work explores both the creative and practical aspects of AI-driven disruption.

Experience

CDI Media
AI Business Development
March 2025 - Present (5 months)
United States

Ongoing work with CDI Media on network communications, social media communications and AI CRM business development.
