DHS: The Road to a 'Clean' Opinion
The Defense Budget: Is it Transformational?

David Norquist

President and CEO of NDIA
Falls Church, Virginia, United States

Experience

National Defense Industrial Association - (NDIA)

President and CEO
May 2022 - Present (4 years 3 months)

The National Defense Industrial Association drives strategic dialogue in national security by identifying key issues and leveraging the knowledge and experience of its military, government, industry, and academic members to address them.

NDIA is a non-partisan, non-profit, educational association that has been designated by the IRS as a 501(c)3 nonprofit organization—not a lobby firm—and was founded to educate its constituencies on all aspects of national security.

United States Department of Defense

3 years 9 months

Deputy Secretary of Defense

July 2019 - February 2021 (1 year 8 months)
Pentagon

Chief Operating Officer for the United States Department of Defense with 2.8 million military and civilian personnel and three trillion dollars in assets and liabilities. Lead exceptional team of senior executives and officers who rebuilt our military and are reorienting its capabilities toward multi-domain warfare. With bipartisan support redirected Department’s resources and operations toward countering China and Russia consistent with the National Defense Strategy (NDS). Performed the duties of DSD since January 2019. Confirmed July 2019.

Under Secretary of Defense (Comptroller) and Chief Financial Officer

June 2017 - July 2019 (2 years 2 months)
Pentagon

Served as the principal advisor to the Secretary of Defense on all budgetary and financial management matters. Responsible for the development and execution of the Department's annual budget of over $670 billion and leadership of a financial management community of over 50,000 employees.

Launched DoD's first full scope financial statement audit saving taxpayers hundreds of millions of dollars by identifying and correcting inaccurate inventory and real property and improving business processes. Established ADVANA as the Department's central repository for transaction level business data and data analytics including 18 billion transactions from 211 data sources, general ledgers and business systems. Received Association of Government Accountants' Distinguished Federal Leadership Award.

Kearney and Company
Partner
December 2008 - May 2017 (8 years 6 months)
Washington, District of Columbia, United States

Partner in a CPA firm that provides financial, IT and auditing services to federal agencies. Responsible for generating revenue through business development, capture, proposal writing, and service delivery. Helped clients improve financial practices, produce auditable financial statements, build economic models to manage risk, resolve internal control issues and improve IT practices.

Department of Homeland Security
Chief Financial Officer
June 2006 - December 2008 (2 years 7 months)
Washington, DC

First Senate confirmed Chief Financial Officer at DHS. Responsible for preparing, justifying and executing a $50 billion agency budget. Managed and provided policy guidance and oversight of DHS financial management activities, operations and personnel.

Established formal process to eliminate pervasive weaknesses in DHS's financial statement. From FY 2006 to FY 2008, DHS reduced the number of material weaknesses by 40% and the number of department-wide audit disclaimer conditions by 70%. Put DHS on path to achieve a clean audit opinion. Responsible for reporting Department's performance metrics. Helped DHS jump from 21st to 5th in Mercatus Center's annual ranking of "Which Federal Agencies Best Inform the Public?"

Awarded Secretary of Homeland Security Outstanding Service Medal, 2008 and U.S. Coast Guard Distinguished Public Service Award, 2008.

Department of Defense, Office of the Under Secretary of Defense Comptroller

Deputy Under Secretary of Defense

December 2002 - May 2006 (3 years 6 months)

Pentagon

In first two years, represented DoD in interagency forums and resolved funding issues related to Iraq, Afghanistan and the Global War on Terrorism. Awarded the Office of the Secretary of Defense Medal for Exceptional Public Service, 2004.

In final two years, led Department's appropriations liaison office. Worked with both authorization and appropriations committees to build support for budget requests and critical administration initiatives. Prepared Secretary of Defense for budget hearings. Awarded the Secretary of Defense Medal for Outstanding Public Service, 2006

House Appropriations Committee, Subcommittee on Defense

Professional Staff

January 1997 - December 2002 (6 years)

Analyzed and evaluated over $30 billion of the defense budget, including funding for Air Force aircraft and munitions, ballistic missile defense, chemical and biological warfare defense, information technology and information assurance.

Menwith Hill Station, US Army Intelligence and Security Command

Director, Resource Management

1995 - 1996 (1 year)

Harrogate, United Kingdom

Managed a staff of 28 US and UK personnel. Responsible for planning, programming, budgeting, accounting, disbursing, military and civilian pay, manpower documentation and internal management controls. Reported to base commander.

Received Army Commander's Award for Civilian Service Medal, 1996.

US Army, Intelligence and Security Command

Senior CCP Program/Budget Analyst

1993 - 1995 (2 years)

Developed and defended the Army's portion of the six-year plan and the two-year budget for the Consolidated Cryptologic Program (CCP). Selected for Army Management Staff College in 1994 and graduated in top 20 percent.

Department of the Army, Deputy Chief of Staff for Intelligence

NFIP Program/Budget Analyst

1989 - 1993 (4 years)

Pentagon, VA

Prepared and defended Army's National Foreign Intelligence Program (NFIP) budget. Integrated the Intelligence Community and the Department of Defense budget processes. Reengineered Army Intelligence budget build process, which the Assistant Deputy Chief of Staff for Intelligence credited with saving taxpayers over one million dollars. Selected as a civilian to attend the Military Intelligence Officer Basic Course in 1990 – honored as Distinguished Academic Graduate.
