个人简介

About Us

We are a high-tech manufacturer specializing in EV Charging Infrastructure and Counter-Drone Defense Systems, providing advanced solutions for governments, operators, airports, and commercial partners worldwide.

With strong R&D capability and large-scale manufacturing, we deliver reliable, intelligent, and future-ready technologies for the rapidly growing electrification and low-altitude security markets.

Our Main Products

EV Charging Solutions

• AC EV Chargers (7kW / 11kW / 22kW)
• DC Fast Chargers (30kW – 2400kW)
• Ultra-Fast HPC Charging Systems
• Solar + Energy Storage + EV Charging Integrated Systems
• Fleet Charging Solutions for Bus & Logistics
• Smart OCPP Cloud Charging Platform

Counter-Drone Defense Systems

• RF Drone Detection & Jamming Systems
• AI Radar + Spectrum Drone Detection
• Portable Counter-Drone Gun
• Vehicle-Mounted Anti-Drone Systems
• Long-Range Airport & Border Drone Defense

Advanced Technologies

• OCPP 1.6 / 2.0.1 Smart Charging Network
• Liquid Cooling Ultra-Fast Charging Technology
• Dynamic Power Distribution Technology
• AI Drone Detection Algorithms
• Multi-Spectrum Drone Interference Technology
• Solar + Storage + Charging Integrated Energy System

Applications

• Government & Defense
• Airports & Critical Infrastructure
• EV Charging Operators
• Highway Charging Stations
• Commercial Parking & Fleet Depots
• Smart Cities & Energy Projects

Why Choose Us

✓ Advanced Technology & Strong R&D
✓ Global Certification (CE / UL / RoHS / OCPP)
✓ OEM / ODM Manufacturing
✓ Scalable Production Capacity
✓ International Project Experience

Global Partner Recruitment

We are actively looking for distributors, partners, and project integrators worldwide.

If you are:

• EV charging operators
• Energy companies
• Security system integrators
• Government contractors
• Infrastructure developers

We welcome you to cooperate with us to explore global markets.

Contact us to become our regional distributor.
