Logic Synthesis

Akshay Bindiganavale

Director, Hardware Engineering at NVIDIA
Greater Boston

Summary

Engineering Leader Managing Large Front End Development Teams both directly and functionally across multiple CPU projects with NVIDIA.

Experience

NVIDIA
15 years 4 months

Director, Hardware Engineering
January 2022 - Present (4 years 6 months)
Greater Boston Area

Manage GPU / CPU & Fabric development teams across multiple chips. Coordinate with various groups including design / verification/ infrastructure/ backend / FPGA-emulation/ software / architecture/ chip mgmt.

Senior Manager, Hardware Engineering
February 2018 - December 2021 (3 years 11 months)
Greater Boston Area

CPU Core & CCPLEX Verification Manager. Manage Verification aspects of multiple CPU projects that integrate with various SOCs catering to different market segments. People / Project management. Front End Design Verification Activities within the CPU group @ Unit / Integration levels.

Manager, Hardware Engineering
September 2014 - January 2018 (3 years 5 months)
Greater Bengaluru Area

Help various aspects of Design / Verification. Primary focus on SOC / Unit DV, Formal Verification. People / Project Management

Senior ASIC Design Engineer
March 2011 - August 2014 (3 years 6 months)
Bengaluru Area, India

Design Verification @ Unit and Sub System. System Verilog based TB development.

Arm

Senior Engineer

March 2010 - February 2011 (1 year)

Cambridge

Main responsibilities were to build and maintain the environment for the integrated Data Side Blocks (Memory Management Unit) of the next Cortex A-Class uProcessor.

Cisco

Hardware Engineer

August 2006 - February 2010 (3 years 7 months)

Bengaluru Area, India

Front End ASIC Design and Verification for N7K / Catalyst 6K Products

Education

MIT Sloan Executive Education

MIT Sloan + CSAIL Artificial Intelligence: Implications for Business Strategy Program · (April 2026)

University of California, Berkeley, Haas School of Business

Executive Education - Leadership Edge · (2025 - 2026)

North Carolina State University

M.S., Electrical & Computer Engineering · (2004 - 2006)

Visvesvaraya Technological University

Bachelor Of Engineering, Electronics & Communications · (2000 - 2004)
