Insitu Inc.
UAS Pilot/Instructor (RQ-21A/ScanEagle)
September 2008 - August 2014 (6 years)
Various

6 years of progressive experience as Field Systems Representative, Field Trainer, and Site Manager for ScanEagle and RQ21A (Integrator) UAS.

Ensured successful execution of 300-1500 flight-hours/month while supervising cross-functional teams of civilian/military operators and maintainers.

Managed all facets of operations, including but not limited to: flight planning, personnel training, and currency, inventory/logistics, maintenance and field level safety processes.

Identified and prioritized customer needs while working with engineers to include critical features in future software/hardware releases.

Extensive experience in troubleshooting and repair of aircraft electrical systems, (Windows based) ground control systems (and supporting networks), and RF systems interference.

Vic Thompson Company

Project Manager/Field Engineer-Research & Development

August 2007 - August 2008 (1 year 1 month)

Fort Worth, TX

Developed test plans, coordinated onsite logistics, and collected/analyzed test data for U.S. government (TSA) contracts focused on development, testing, and integration of emerging security technologies.

Successfully managed all phases of project lifecycle during the TSA Whole Body Imager test program at Los Angeles International Airport to include operational testing, logistical support, and system quality assurance. Ensured that project came in significantly under budget, and ahead of schedule.

Assisted in development, production, maintenance, and quality assurance of robotic, BOB-M No Lift Baggage Shuttle.

United States Marine Corps

Airborne Radio Operator/Loadmaster on KC-130

February 2002 - August 2008 (6 years 7 months)

NAS JRB Ft. Worth / Worldwide

Served as HF radio operator, communicating with ATC, Global HF Stations, and others in accordance with FAA regulations.

Ensured safe and efficient loading/unloading of cargo and personnel as well as safe execution of all airdrops.

Awards include Air Medal, Army Achievement Medal, Global War on Terror Expeditionary Medal, Global War on Terror Service Medal, Armed Forces Reserve Medal, Humanitarian Service Medal, National Defense Service Medal, and Meritorious promotion to Corporal

Clear Channel Broadcasting
