Experience

Ponto Defense
Operating Partner
December 2025 - Present (1 month)

Arena Labs
1 year 1 month

Chief Growth Officer
December 2024 - September 2025 (10 months)
Nashville, Tennessee, United States

Bringing the "missing" dataset to healthcare leaders. Chief Evangelist of Arena Strive - healthcare's first digital performance coach, an 8-week coaching intervention for high-acuity clinicians.

Chief Operating Officer
September 2024 - December 2024 (4 months)
Nashville, Tennessee, United States

Tackling healthcare's burnout epidemic through an innovative combination of wearable sensors, performance coaching, and performance science tools proven to build healthy & resilient clinicians

Tennessee Department of Disability and Aging
Commission Member
2023 - 2025 (2 years)
Nashville, Tennessee, United States

Appointed by Governor Bill Lee as one of 22 Commission Members dedicated to improving the lives of 1.5 million older adults and Tennesseans with disabilities

Optum

Director of Product

April 2023 - May 2024 (1 year 2 months)

Led cross-functional product development for a care coordination platform supporting value-based care (VBC) clinical activities. Responsible for $6.7M capital budget, roadmap planning, and prioritization for on/off-shore developers

Shepherd Premier Senior Living

5 years

Equity Partner

2019 - 2024 (5 years)

Crystal Lake, Illinois, United States

Provide strategic guidance on corporate development, modeling, operations, marketing, and staffing to a 6-facility senior living business

President

July 2021 - September 2022 (1 year 3 months)

Led the turnaround of an 80-employee, 6-location senior living business. Executed an operational overhaul, built a winning team, and grew revenue 2.5x in 12 months by implementing best practices across sales, operations, pricing, marketing and advertising.

Elevated the clinical care standard of residents by implementing outcome-based treatment plans for leading causes of hospital readmissions (e.g., congestive heart failure), which boosted resident longevity and created win-win relationships with physician groups and area hospitals.

Conklin & de Decker

1 year 6 months

President

April 2018 - July 2019 (1 year 4 months)

Greater Chicago Area

Recruited to lead JSSI's April 2018 acquisition of Conklin & de Decker, a leading provider of aviation data, consulting services, and educational seminars. Successfully integrated twelve employees, revamped operations, processes & procedures as President.

- Full P/L responsibility with major contributions to business development, strategic planning, and tactical execution of initiatives.

- Established the company strategy, priorities, and organizational structure to enable long term growth and effectively motivate team members.

- Re-negotiated numerous third party licensing agreements to more favorable terms.

- Supervised SaaS product development, SQL database & software modernization, and mobile app creation.

-Overhauled pricing strategy, compensation plans, and Salesforce utilization resulting in substantial sales growth and SaaS product renewal rates.

-Contributed to UX, UI, copywriting, and change management planning for numerous major product updates; effectively managed the budget, timeline, and priorities of both internal and third-party software developers.

President, JSSI Advisory Services
February 2018 - July 2019 (1 year 6 months)
Greater Chicago Area

Managed P/L for $4.5M combined business unit with 39% CAGR. Launched a start-up aviation services business and achieved $2M of revenue in first calendar year. Established pricing strategy, operational standards, strategic relationships, and compensation plans for a global sales team. Negotiated multi-year contracts and built strategic partnerships with key industry players.

Led the acquisition, integration, and operational turnaround of Conklin & de Decker, an aviation data and technology company, JSSI's first acquisition ever.

Goldman Sachs
Investment Management
July 2015 - February 2018 (2 years 8 months)
Greater Chicago Area

Advised ultra-high net worth individuals and institutions on financial risk management and investment portfolio construction. Sourced $244M of new assets and built a $1.0B+ prospective client pipeline.

Army Special Forces (Airborne)
Director, Air Operations
January 2011 - May 2013 (2 years 5 months)

Okinawa, Japan

Generated aggregate savings of $22M in air movement costs by streamlining redundant systems, leveraging strategic partnerships, and integrating new methods of air transport. Doubled available support resources by building strategic relationships with 14 airlift providers in 5 countries.

US Army
4 years 2 months

Chief of Operations
June 2009 - December 2010 (1 year 7 months)
Fort Campbell, KY / Afghanistan

Directed critical aviation support to 25% of Afghanistan during high-intensity combat operations.

Flight Platoon Leader
November 2006 - June 2009 (2 years 8 months)
Fort Campbell, KY / Afghanistan

Logged 1000+ hours of incident-free rotor-wing flight time; earned Pilot-In-Command and Air Mission Commander status ahead of peers. Led 7 helicopters and a 26-person multi-functional team through intense training and combat operations, resulting in zero accidents or mishaps through hands-on leadership and strict adherence to maintenance & safety regulations. Awarded two Air Medals and the Army Combat Action Badge for superb leadership in aerial flight during combat operations.

Education

The University of Chicago - Booth School of Business
MBA, Entrepreneurship & Finance

United States Military Academy at West Point
BS, Systems Engineering
