Bob McGrew

Chief Research Officer at OpenAI
Menlo Park, California, United States

Experience

OpenAI
7 years 11 months

Chief Research Officer
August 2018 - November 2024 (6 years 4 months)
San Francisco Bay Area

Led OpenAI's research efforts to build the world's most powerful AI models and then let the world use them through ChatGPT and the API.

Member Of Technical Staff (Engineer/Researcher)
January 2017 - August 2018 (1 year 8 months)
San Francisco Bay Area

Trained robots to do tasks in the physical world.

Palantir Technologies
Director
June 2005 - January 2016 (10 years 8 months)
Palo Alto, CA

Started at Palantir as the second engineer and wrote the first backend for Palantir Gotham. Moved to lead engineering and product management for Gotham and ultimately led engineering and product management across all Palantir products for the first decade of the company.

Paypal
Engineer
2000 - 2002 (2 years)

I worked on computer security and anti-fraud.
