Greater New York City Area

Employ Agile methodology directing cross-functional teams in executing long-term enterprise modernization efforts.

Lead design and development teams in the United States and India.

Cultivate and maintain relationships with client accounts and vendors.

Evaluate, select, deploy, and administer software platforms for expanding enterprise operational capability.

Project Manager
September 2017 - July 2018 (11 months)
Greater New York City Area

Defined workflows and process management tools to streamline internal design, development, and quality control mechanisms. Reduced defect rate by 27%.

Maintained communication and collaboration between internal and external stakeholders as well as our vendor network to keep efforts aligned.

Planned and oversaw the execution of 39 website launches and 14 demand generation campaigns.

Improved client experience by creating new workflows and implementing a ticketing system which reduced miscommunications and product revision cycles.

FCA Fiat Chrysler Automobiles
2017 Ram Trucks Ops Intern
April 2017 - August 2017 (5 months)
Greater Detroit Area

• Identified business centers and DMAs where Ram truck inventory trim mix could be brought up-market to increase gross profit per new unit retailed (GP PNUR).
• Worked as part of a two-member team to refine Ram Truck email marketing and help integrate digital best practices. My partner and I developed a process map to organize and simplify the flow of information from tier 1-3 marketing efforts, created a KPI-tracking dashboard to identify high and low performing email blasts, and made recommendations with regard to integrating more 'lifestyle' content.
• Analyzed efforts to increase dealer engagement vis a vis our Ram dealer incentive program.
• Developed an overview for Ram Area Managers, covering onboarding, training, cross-regional best-practices, markers of dealer health & performance.

Pinnacle Creative Studio
Digital Strategist
August 2016 - May 2017 (10 months)
Greater New York City Area

• Build brand loyalty by planning, developing, creating and executing cross-channel social media
strategy (paid and organic). Social Media channels include Facebook, Twitter, Instagram, YouTube,
Google +, LinkedIn and Snapchat.
• Content creation
• Contribute to social media editorial calendar by curating and creating fresh content through copy,
photo and video.

• Act as the voice of Pinnacle and ensure all content and customer messaging is consistent with brand voice and tone.
• Lead social media analytics and insights. Develop and analyze social content performance, social
performance, and social listening trends and compile key metric reports as needed.
• Coordinate all social promotions, sweepstakes/contests or marketing programs to ensure maximum value.
• Collaborate and coordinate calendars across departments on social media strategies. Includes brand marketing, corporate communications, web content and email marketing teams.
• Own the "social voice" of 40 brands
• Explore and evaluate cutting edge technologies, services and approaches unique to the digital marketing industry. Introduce and incorporate novel solutions as client services, revenue streams.
