Dr. Jonas Singer

Offering my thoughts on Geopolitics and Defence.
Germany

Summary

I host the Defence Innovation Podcast, a personal passion project that grew naturally out of my PhD research on dual-use technologies, defence innovation, and financing.

Experience

Defence Innovation Podcast
Host
September 2024 - Present (1 year 10 months)

Talking defence tech so you don’t have to Google it.

Stealth
Founder
February 2020 - Present (6 years 5 months)
Europe

Running several businesses in stealth mode to avoid scaring perfectly reasonable clients with perfectly reasonable takes on geopolitics and defence.

Apparently saying what you think about defence is “not great for sales”.

Still testing that theory.

SPRIND - Bundesagentur für Sprunginnovationen
Competition Judge - Counter Drone Technology
July 2025 - September 2025 (3 months)
Germany

Evaluated anti-drone wizardry for Germany’s moonshot agency. Made drones regret their life choices. Lovely job.

EY-Parthenon
Strategy Consultant
March 2023 - September 2023 (7 months)
Greater Munich Metropolitan Area

Advised billion-dollar funds on where to throw their money.

EY

1 year 3 months

Member of the GSA Consulting Young Leadership Board

April 2022 - February 2023 (11 months)

Munich, Bavaria, Germany

Gave leadership advice while still figuring out my own career.

Senior Consultant Business Transformation

December 2021 - February 2023 (1 year 3 months)

Munich, Bavaria, Germany

Got paid to make companies more efficient. Ironically, worked too many hours.

Dethleffs GmbH & Co. KG

Project Manager

January 2021 - December 2021 (1 year)

Isny im Allgäu, Baden-Württemberg, Germany

Made campers better. Didn’t get to camp.

Blaser GmbH

4 years 8 months

Business Consultant - Dual Student Business Administration and Engineering

October 2016 - September 2019 (3 years)

Isny im Allgäu, Baden-Württemberg, Germany

Solved business problems while still figuring out my own.

Industrial Mechanic

February 2015 - September 2016 (1 year 8 months)

Isny im Allgäu, Baden-Württemberg, Germany

Fixed machines. Somehow didn’t break any.

Lasaya Consulting AG

Junior Consultant and Executive Assistant

March 2019 - June 2019 (4 months)

Lindau, Germany

Assisted execs while pretending to be one.

Blaser USA

Intern

March 2018 - August 2018 (6 months)

San Antonio, Texas

Lived the Texas dream for six months. Yeehaw.

Maschinenbau Kolb GmbH
Apprenticeship Industrial Mechanic
September 2011 - January 2015 (3 years 5 months)
Isny im Allgäu, Baden-Württemberg, Germany

Started by fixing machines, ended up fixing companies.
