Lee Washburn

AMC SkyFoundry Operations Officer
Chattanooga, Tennessee, United States

Summary

- Multifaceted professional with a history of success in both the military and civilian sectors.
- Six years of B2B sales and marketing experience within a dealer/distributor network, with an additional five years of B2C and multi-unit retail sales experience.
- Skilled in training and developing successful sales teams and territories, written and verbal communication, and working with international teams and personnel.
- Proven leadership demonstrated by leading combat units in austere environments, managing a large sales territory and dealer network, and leading over 250 personnel in 24/7 manufacturing operations.
- Experience planning and managing large-scale logistics and operations projects, building and developing successful teams, and interfacing with all levels of both internal and external customers in order to provide unparalleled customer service.
