Jim Caggy

A Technologist for Warfighter Solutions…

Washington DC-Baltimore Area

Summary

Proud to work with teams that are focused on delivering results for mission critical programs.

Experience

Office of the Secretary of Defense

Advisor - Strategic Capabilities Office (SCO)

October 2023 - Present (1 year 10 months)

Washington, District of Columbia, United States

OMEGA Pi, LLC

Founder

April 2023 - June 2025 (2 years 3 months)

Washington DC-Baltimore Area

We delivered mission solutions and provided consultation on the toughest problem sets globally.

Amazon Web Services (AWS)

9 years 7 months

General Manager / Director (L8) Secure Connection Services (Ground Station, DX Gov, Tactical Edge)

July 2019 - March 2023 (3 years 9 months)

Washington DC-Baltimore Area

Managed the product strategy and P&Ls for three AWS services. Led engineering and operations for multiple AWS service engineering teams. Built new ways for customers to communicate with their satellites and deliver data around the globe using AWS Ground Station. Launched new secure data delivery services for our government customers and new edge capabilities with simple pay-as-you-go pricing.

Sr. Manager, DoD Solutions (Chief Technologist, Defense)

September 2013 - June 2019 (5 years 10 months)

Washington D.C. Metro Area

Built the Department of Defense tech team from ground up ($500MM+ ARR). Co-authored the DoD Secure Cloud Computing Architecture (SCCA) FRD. Led security and incident response for Defense customers. Engineered the first DoD Cloud Access Point connections with DISA.

We delivered Warfighter solutions focused on Tactical Edge Computing, Big Data Analytics, Machine Learning (Deep Learning), High-Performance Computing and Mobile Applications.

US Army
Infantry Officer
September 2001 - August 2021 (20 years)

Mix of Active Duty and Reserve service after 9/11.

Served in key leadership positions during multiple overseas combat deployments to include Platoon Leader and Company Command assignments.

Served on staff as an operations planner and project officer at the battalion, brigade and division level.

Previous Assignments: Division Staff Officer, Rifle Company Commander, Infantry Brigade Combat Team Plans Officer, Rifle Company Executive Officer, Afghanistan National Army Combat Advisor, Rifle Platoon Leader

Professional Military Education and Training: Maneuver Captains Career Course, Infantry Officer Basic Course, Afghanistan Counterinsurgency Leaders Course, Basic Airborne Course, US Army Ranger School Class 03-06

MAP Digital: MetaMeetings™
Chief Engineer
March 2009 - August 2013 (4 years 6 months)
New York, New York

Provided network, systems and streaming media consultation to multiple Fortune 100 companies and top advertising agencies in order to maximize their ability to connect with external and internal clients.

Managed a team of network engineers, systems engineers and webcast production engineers.

Designed and implemented digital solutions for our client's event marketing and strategic business intelligence needs.

Education

Rochester Institute of Technology
