Founder & CEO of Groom Prep, America’s first AI-powered groom concierge.

I launched Groom Prep to give grooms a dedicated concierge service that combines smart AI with personal human execution. We handle bachelor party planning, groomsmen coordination, and flawless day-of orchestration so every groom can fully enjoy his wedding experience.

As Founder & CEO I lead vision, strategy, product development, customer acquisition, and team building. Veteran-founded, we proudly offer a 15% discount to military, veterans, and law enforcement.

Mission: AI helps. Humans perfect. You enjoy. Zero stress from bachelor party to “I do.”
