Chris Lynch

Ensuring our warfighter has an unfair advantage in any conflict.
Washington DC-Baltimore Area

Experience

Something New
Cofounder
January 2026 - Present (7 months)

Rebellion Industries
Co-Founder
July 2019 - September 2023 (4 years 3 months)
Washington D.C. Metro Area

Rebellion is creating something new. A place where brilliant people can work on a mission that matters. Focusing solely on developing the very best software for defense and national security. At a time when it is needed most.

Come join us. We are hiring.

Defense Digital Service
Director
November 2015 - April 2019 (3 years 6 months)
Washington D.C. Metro Area

This is a precious moment in time. Come join us on the most important mission there is. The things we do can actually have an impact (against all odds). From Hack the Pentagon to JEDI Cloud - the work we do here can change government.

Come join us: https://dds.mil/
