Lotta Riekki

Defense Industry & Internationalization Specialist | Driving Market Growth and Partnerships
Helsínquia, Uusimaa, Finlândia

Resumo

I’m a versatile business professional with broad experience across multiple industries and a proven track record in diverse roles. With a strong international background, I’ve gained deep insight into different markets and cultural dynamics, which helps me navigate complex business environments with confidence.

My current focus is in the defense industry, where I combine strategic thinking with hands-on expertise to deliver impactful solutions. I thrive in dynamic settings, managing projects, building strong partnerships, and driving results that matter.

As a forward-thinking leader, I’m passionate about innovation and collaboration — always aiming to create long-term value for clients and partners. My global perspective and commitment to excellence continue to guide my work and growth.

Experiência

Viima Aerospace Technologies
Head of Business Development
junho de 2025 - Present (9 meses)
Helsinki, Uusimaa, Finland

Viima Aerospace Technologies Oy is a Finnish defense and aerospace startup founded in 2022. The company develops unmanned aerial vehicles (UAVs) and related technologies with a focus on multi-role, cost-efficient drone platforms for defense, governmental, and research applications.
