Aksh Sharma, B.Eng, CSSGB, CSWP

Mechatronics Engineer | Projects' Specialist | Sales Expert | Silent Investor
Canada

Summary

"If I have seen further, it is by standing on the shoulders of giants" - Sir Isaac Newton, 1675

Greetings! It's Aksh Sharma, a Canadian Mechatronics Engineer. I specialize in Project Management, Machine Intelligence, Manufacturing System Control, IoT, and Mechatronics System Design. I have worked extensively with North American and Middle Eastern corporations, startups, incubators, and educational institutions. My business acumen, problem solving and adaptability was developed by stepping out of my comfort zone and leading with curiosity. I have been fortunate enough to be trained by seasoned veterans and industry leaders setting me up for success. I am grateful for all the opportunities to learn, grow and explore the depths of the future of technology.

Experience

Under Armour
Sales Team Lead | Manager On-Duty
June 2023 - November 2023 (6 months)
Toronto, Ontario, Canada

• Senior Leadership for a team of 25 associates driving critical areas such as UPT, Gross Sales, and confidential ancillary metrics. Within 3 months of my tenure, our branch consistently surpassed overall sales targets. I have never missed a sales target individually and always exceeded expectations.
• Conducted comprehensive training sessions covering policies, onboarding, situational awareness, loss prevention, emergency protocols, and product knowledge, effectively empowering and upskilling team members.
• Cultivated enduring customer relationships, resulting in a dedicated and appreciative customer base, recognizing my contributions to branch leadership.

• Collaborated closely with company leadership to meticulously execute the business plan, strategically optimizing KPI results and seizing business opportunities.
• Maintained efficient execution of daily operational procedures and ensured unwavering adherence to audit compliance standards.

Personal Anecdote: My motto was to have customers leave satisfied with my services. It's pointless selling something unsatisfactory which can be returned anyway. The joy of closing deals was infectious and passed down to my team.

College Pro
Digital Marketing Consultant
April 2022 - September 2022 (6 months)
Toronto, Ontario, Canada

• Developed and executed successful social media campaigns for the Greater Toronto Area (GTA) franchise.
• Increased online visibility to 15,000+ monthly impressions through short-form content on social media platforms.
• Managed Google My Business portfolio and consulted on Search Engine Optimization (S.E.O). Identified areas of improvement and implemented changes to enhance long-term results with engagement and lead conversions.
• Researched and stayed up to date with the latest media trends, cultural trends in Toronto, and strategies the competitors applied to improve their online reach.

Rogers Communications
Sr. Sales Associate | Manager-On-Duty | COVID-19 Frontline Worker
October 2019 - November 2021 (2 years 2 months)
Toronto, Ontario, Canada

• Consistently met all sales targets for 8 fiscal quarters for both Rogers & Fido brands and services, including Rogers Mastercard.
• Demonstrated agility as a front-line worker who worked through the COVID-19 Pandemic. Exceeded expectations in matters of public safety, customer solutions, troubleshooting, and delivering results.
• Collaborated with the team to achieve their sales targets once I completed mine. Mentored and coached junior sales associates to help them grow in their roles.
• Promoted to key holder and manager-on-duty responsibilities within 6 months of start date. Successfully adapted to an ever-changing environment of retail tech sales.

• Mastered all internal systems and software to deliver exceptional customer service and personalized solutions. Submitted regular suggestions to improve the customer experience within the Rogers retail structure.
• Passionate about helping the elderly and underprivileged communities to adapt to new technology.

TERA < Note: Exited Startup >
Chief Executive Officer & Founder
October 2019 - February 2021 (1 year 5 months)
Dubai, United Arab Emirates

• Managed and led a team of 40 employees, ensuring effective team management strategies and collaboration across all departments i.e., Technology, Research & Development, Media & Marketing, HR & Partnerships, and Education.
• Conducted the largest market research survey in the U.A.E for mental health with 1,645 university student participants.
• Offered the region’s first free mental health first aid course with 22 certified individuals.
• Developed an AI-based chatbot that provides cognitive-behavioral therapy to users, providing an accessible and affordable alternative to traditional therapy. It flags individuals who need emergency medical assistance.
• Built a strong brand and community around our brand, establishing trust and credibility with users and mental health professionals. Additionally, we celebrated 13th of every month as a self-care day (TERA Day) in the UAE.
• Provided thought leadership in the mental health industry, speaking at conferences and events to promote awareness and advocacy for mental health.
• Recipient of Astrolab Dubai’s Startup Acceleration Scholarship Program for the year 2020. Completed full-stack web development training with the accelerator over 8 weeks.
• Oversaw the development and execution of marketing strategies, resulting in a 20,000 average monthly reach, and a 300% increase in user acquisition.
• Maintained positive relationships with our mental health advisors and relevant startups in the region, collaborating with them to improve national awareness of mental health.

Toronto Metropolitan Students' Union
Special Projects' Coordinator - Palin Foundation & H.R
May 2018 - December 2018 (8 months)

• Collaborated with the student union’s executive team and the Palin Foundation to implement the proposed projects - Campus center basement renovations, mental health space, gamer’s lounge, nap pods, and affordable meal plans near campus.
• Collaborate with the HR team to identify and prioritize HR-related projects such as recruitment, performance management, and employee engagement initiatives.
• Managed and developed project timelines, budgets, and resources to ensure the successful completion of projects in compliance with safety regulations and stakeholder demands.
• Rendered a 3-D model of the spaces that needed to be renovated to ensure proper envisioning and planning of changes.
• Identified opportunities for process improvements and implemented changes based on what the stakeholders find the most comfortable.

TheYouthTalks
Public Speaker & Founder
August 2015 - August 2017 (2 years 1 month)
Dubai, United Arab Emirates

Founded and led a nationwide talk show series that toured 29 schools across the U.A.E, directly engaging with over 12,000 students live. This impactful initiative, born from a one-person startup, fostered dialogue on critical youth issues and built a supportive ecosystem focused on mental well-being and unity. Key achievements include:

• Secured partnerships with the Knowledge and Human Development Authority (KHDA - Dubai Education Ministry) and GEMS education while managing relationships with diverse stakeholders.
• Built a robust sponsorship portfolio including Virgin Megastore, Thrifty Car Rental, Barakat Juices, and over a dozen local colleges & universities.
• Developed and delivered highly engaging 90-minute interactive sessions combining improv, comedy, educational content, and student voice.
• Spearheaded the hiring, training, management and growth of a team of 20 associates to support program expansion and execution.

Education

Toronto Metropolitan University
Bachelor of Engineering, Mechanical-Mechatronics Engineering

AstroLabs
