Unite Us
Member, Board of Directors
2016 - 2021 (5 years)

Unite Us is a technology company that builds coordinated care networks of health and social service providers. With Unite Us, providers across sectors can send and receive secure electronic referrals, track every person's total health journey, and report on tangible outcomes across a full range of services in a centralized, cohesive, and collaborative ecosystem. Unite Us' dedicated team builds authentic, lasting partnerships with local organizations to ensure their networks have a solid foundation, launch successfully, and continue to grow and thrive. This social infrastructure helps communities transform their ability to work together and measure impact at scale.
