Jeff Wright

Founder & CEO, SplashOne Robotics
Marietta, Georgia, United States

Summary

.

Experience

SplashOne Robotics
Chief Executive Officer
January 2025 - Present (1 year 6 months)

Air domain problems require air-domain solutions. Fighters solved the problem of enemy aircraft last century. They'll solve it this one, too...at FL400 or 40' AGL.

Robo Reliance
Advisor
March 2025 - Present (1 year 4 months)

United States National Drone Association
Strategic Advisor
2024 - Present (2 years)

United States Department of Defense
Military Officer
July 1999 - January 2025 (25 years 7 months)
As Required

Special Operations background with emphasis on fires and technology.

AmeriTel, LLC
IT Technician
1997 - 2002 (5 years)
Marietta, Georgia, United States

Performed all IT tasks for AmeriTel, my family's small business while in high school and while home from university. Networking, CRM database creation/ management, workflow creation and management, etc. Also saw the realities of what it takes to start and run a small business from across the kitchen table.

Education

Boston University

Master of Science - MS, Computer Information Systems · (December 2019)

The Citadel

Pre-Law · (2003)
