Summary

Thabisani has over 7 years in the SAP ecosystem focusing on solution development, gathering requirements and system integration with use of SAP integration tools or middleware such as SAP CPI, CIG, Boomi, and PO. Thabisani is an ambitious and motivated analyst with both analytical and technical background. He possesses self-discipline and the ability to work with minimum supervision. He can play a key role throughout the project development life cycle, along with exceptional analytical requirement gathering, planning, design, and problem-solving capabilities.

Thabisani has good team spirit, he is deadline oriented and can produce detailed technical specifications from client or functional requirements. He is also a quick learner who can absorb new ideas. He always has an integral ability to maintain good relationships with business stakeholders by being franker and more open.

Thabisani holds a BSc - Applied Mathematics & Statistics from the University of KwaZulu-Natal.
Thabisani is a SAP Certified Dev Associate - ABAP Workbench with SAP NW 7.4.
Thabisani is a SAP Certified App Associate - Foundations of Business Processes Integration, TERP10 with SAP ERP 6.0.
Thabisani is a SAP Certified Dev Associate - SAP Integration Suite/ Cloud Platform Integration.
Thabisani is a Dell Boomi Certified Associate Integration Developer.
Thabisani is a Coupa Certified - Coupa Platform & Coupa Sourcing.
