Robert B. Neller

37th Commandant of the US Marine Corps
Austin, Texas Metropolitan Area

Summary

Career Marine Officer, proven transformational leader and change agent, with over 44 years leading and managing military organizations worldwide. Effective thought leader and communications specialist on managing change in complex and rapidly evolving environments. A wealth of experience in the day-to-day operations of complex multi-billion dollar operating units, to include developing and executing strategies, assessing risk, continual resource management and investments. A tested leader, who has operated at the highest levels of national leadership, with extensive problem framing and solving skills deployed successfully under stressful conditions and within heightened risk environments. Effective agent for positive organizational and cultural change priorities.
