Pat Conroy

Minister for Defence Industry | Minister for Pacific Island Affairs | Federal MP for Shortland
Belmont, New South Wales, Australia

Summary

I'm a dad of two, an average rugby player, a cabinet minister and the Federal MP for Shortland.

As Minister for Defence Industry, every day I'm working to deliver the capabilities our defence force needs, while backing our Australian defence industry every step of the way.

And as Minister for Pacific Island Affairs, I'm working side by side with the Pacific family to make the region we all call home more peaceful and prosperous.
