Ajay Kohli, MD, MBA

Physician | Entrepreneur | Writer
Dallas-Fort Worth Metroplex

Summary

I'm a physician and an entrepreneur. I have had past experiences in launching different ventures bringing together academia and industry. I love working with people to continue developing innovations in the medical, analytical and financial aspects of healthcare. More about me here: www.ajaykohlimd.com

Experience

UT Southwestern Medical Center
Assistant Professor, Radiology and Orthopaedic Surgery
July 2021 - Present (4 years 8 months)
Dallas-Fort Worth Metroplex

Transitioned to part time status on 09/2023 to build a venture, in stealth, working with the government.

Parkland Hospital
Deputy Chief Medical Informatics Officer
September 2021 - October 2023 (2 years 2 months)

Worked with a multidisciplinary team of C-suite leaders, IT specialists as well sub-speciality surgeons, hospitalists, OB/Gyns and more to complete several projects within enterprise informatics for one of the largest public hospital systems in the world. Had an amazing experience working with a phenomenal team!
