Jason Dickinson

General Manager, Ghost
Irvine, California, United States

Experience

Anduril Industries
6 years 11 months

General Manager, Ghost
November 2024 - Present (1 year 8 months)
Costa Mesa, California, United States

Growth Operations Lead - Group 2 Air Systems
June 2021 - February 2025 (3 years 9 months)
Irvine, California, United States

Led go-to-market strategy and operational execution for Ghost 4 and Ghost-X. Drove 16x growth in international Ghost 4 contracts, deployed to Ukraine for two years to operate systems in-theater, and helped shape the development of Ghost-X based on real-world operational feedback. Led Ghost-X execution during the U.S. Army Company Level Directed Requirement fly-off, earning a 1st place finish.

Flight Operations - Ghost sUAS
August 2019 - June 2021 (1 year 11 months)
Irvine, CA

Selected as the first Mission Operations Engineer solely focused on the Ghost 3 product line, responsible for executing high-stakes demonstrations and delivering customer training to accelerate adoption of an R&D sUAS platform. Played a key role in the productization of Ghost 4, helping take the program from zero-to-one and into a scalable product direction.

Triangle Wine Company
2 years 11 months

Beer Program Manager
April 2018 - August 2019 (1 year 5 months)
Southern Pines, NC

Sales Representative
October 2016 - April 2018 (1 year 7 months)
Southern Pines, NC

USSOCOM

Operation Gallant Phoenix, Deputy Director Of Operations (MAJ)
July 2015 - December 2015 (6 months)
Az Zarqa', Jordan

5th Special Forces Group (Airborne) - US Army
3 years 11 months

Special Forces, Operations Manager/BN AS3 (USA, Jordan)
September 2014 - July 2015 (11 months)
Fort Campbell, Kentucky

• Lead planner responsible for a project, directed by the President of the United States, spanning 4 countries, involving 200+ personnel and a $500M budget
• Fostered unity of effort between 8 independent elements as a project manager for the creation of a multi-national Special Operations Headquarters overseas
• Simultaneously facilitated training, preparation, and deployments for 18 Special Forces Teams

Special Forces, Deputy Director/SFOD-B XO (USA, Qatar)
September 2013 - September 2014 (1 year 1 month)
Fort Campbell, KY

• Successfully managed a $200K fiscal year budget, balancing training, equipment upgrades, and fixed costs.
• Managed daily operations of 8 Special Forces Teams across 7 countries
• Provided operational resources to 6 Special Forces Teams simultaneously across 4 time zones

Special Forces, Supervisor/Detachment Commander (USA, Jordan, Afghanistan, UAE, Bahrain)
September 2011 - September 2013 (2 years 1 month)
Fort Campbell, KY

• Supervised a 40 person Special Operations team for 9 months in Afghanistan with 100% accountability of $50M worth of US Government property
• Chosen as the only Detachment Commander out of 54 peers to train 750 personnel in preparation for their deployment to Afghanistan
• The only supervisor out of 6 to be assigned 2 projects in foreign counties with no direct supervision, resulting in over 80 successfully trained foreign special operation soldiers

1st Battalion, 8th Infantry

3 years 3 months

Infantry, Operations Manager/Battalion AS3 (Iraq, Kuwait, USA)
July 2008 - September 2009 (1 year 3 months)

• Lead planner for a two Battalion clearance operation in East Mosul, effectively denying this area for AQI's vehicle-borne IED manufacturing.
• Hand selected to support kinetic targeting of AQI as a member of a special operations intelligence fusion cell.

Infantry, Deputy Director/Company Executive Officer (USA, Kuwait, Iraq)
August 2007 - July 2008 (1 year)

• Led company operations in the most hotly contested battlespace in Mosul, Iraq, resulting in the dismantling of AQI’s grip of Southeast Mosul.
• Expertly managed maintenance and logistics for a mechanized infantry company and a combat outpost while conducting continuous combat operations without any depreciation in combat power.
• Managed the company intelligence cell, providing groundbreaking awareness of our battlespace, leading to the capture and death of numerous AQI combatants.

Infantry Supervisor/Platoon Leader (USA, Kuwait, Iraq)
July 2006 - August 2007 (1 year 2 months)
Fort Carson, Colorado

• Responsible for 35 soldiers, 4 M2A2 ODS Bradley fighting vehicles and installation property valued in excess of $10 million.
• Led over 60 combat operations near Balad, Iraq, resulting in the capture of numerous al-Qaeda linked terrorists, without any loss of personnel or equipment.
• Developed and refined counter-insurgency tactics and training in preparation for sustained combat operations on the lead-up to a 15 month OIF rotation.
