

HEARING DATA REPORT

July 2025 – June 2026

Mission

The mission of the State Hearings Division is to resolve disputes of applicants and recipients of public social services in an impartial, independent, fair, and timely manner, ensuring that due process is met in accordance with federal and state law.

Values

We value our role in reviewing administrative actions in a fair, impartial and timely manner, ensuring that individuals and families receive the assistance to which they are eligible under the law.

We value dignity, integrity and compassion in the performance of our mission, according utmost respect and professionalism to all persons.

We value our role as part of a strong California Department of Social Services by anticipating the future, planning strategically and managing change.

We value our role in providing excellent internal and external stakeholder service by ensuring that stakeholders can have their concerns heard and that we are sensitive to their perspectives.

We value a professional and supportive work environment that strives to be the workplace of choice.
